As you may know, 2009 is a watershed year, marking the 400th anniversary of Hudson and Champlain's voyages along the river and lake that bear their names—and the 200th anniversary of Fulton's successful steamboat voyage and establishment of steam commerce on the Hudson River. As part of Ulster County's Quadricentennial events, the Ulster County Clerk's Office has sponsored a *Discovery Poster Project*.

The *Discovery Poster Project Exhibition* is an exhibit of colorful, insightful and imaginative posters on the theme of "Discovery". Fourth grade students from 31 schools throughout Ulster County submitted posters to this exhibit. The students were given the opportunity to interpret "Discovery" in their own way and in any medium. The unique style and content of each poster shows the creativity and talent that our students possess.

As well as hosting this exhibit, the Ulster County Clerk's Office has scanned and digitally reformatted each poster. These digital images are now part of an online exhibit on the Ulster County Archives website at www.co.ulster.ny.us/archives.

It has always been important to the Ulster County Clerk's Office to reach out to students and involve them in the documented history of our county. We hope the creativity and talent of these students inspires others for years to come!

Sincerely,

Nina Postupack
Ulster County Clerk

Dear Reader:

Ulster County is as rich in the creativity of its residents as it is in its history and natural beauty. I think that you will agree that the talent exhibited by the elementary students who participated in this project is extraordinary and we are delighted to be able to share it with you.

Ulster County and the Hudson River Valley played a pivotal role in the formation of our country. From the moment that Henry Hudson first set eyes on the beautiful river that bears his name, to the present, this place has revealed an astonishing treasure trove of memorable experiences.

As you look through this catalog, I trust it will inspire you to explore this remarkable region even further and discover some unique experiences of your own.

Sincerely,

Michael P. Hein
Ulster County Executive
