Welcome to the Exploring Ulster County Poster Project!

This year marks the 330th anniversary of the formation of Ulster County. As part of the celebration for this important milestone in Ulster County's history, the Ulster County Clerk's Office has sponsored the ***Exploring Ulster County Poster Project***.

The ***Exploring Ulster County Poster Exhibition*** is an exhibit of colorful, insightful and imaginative posters. Fourth grade students from public and private schools throughout Ulster County submitted posters to this exhibit. The students were given the opportunity to interpret "Explore Ulster County" in their own way and in any medium. The unique style and content of each poster shows the creativity and talent that our students possess.

As well as hosting this exhibit, the Ulster County Clerk's Office has scanned and digitally reformatted each poster. These digital images are now part of an online exhibit on the Ulster County Archives website at www.co.ulster.ny.us/archives.

It has always been important to the Ulster County Clerk's Office to reach out to students and involve them in the documented history of our county. We hope the creativity and talent of these students inspires others for years to come!

Sincerely,

Nina Postupack
