The patience you had with us ~~o~~ was heartwarming ~ and the care you take with the collection is admirable.

I look forward to using your curriculum thought the next few years during our visits. I've not heard of any other county or state doing something like your

Dear Jan, Joel, Jim, Lori,

Thank you so much!!

I so appreciate you all rolling out the red carpet for our visit, and I have to commend the whole department on its friendly and welcoming demeanor.

Ulster County has a real prize in its employees

materials for young children with such depth or scope. It is remarkable and fabulous!

Noah came right home and started an archive insisting we only handle things with his gloves.

(TOOCUTE! THANKS IAN!) He also wrote in his journal that his favorite part was when Ian gave him

the gloves and asked him to be a junior archivist. Brilliant Ian!

And besides all that marvelousness... we put together more of our family tree! Yay for Archives!!

With much gratitude for all the thoughtful and important work you do - Sincerely,
Sukie Berberud

Law, Joel, Toon - (and all of your
precious, preservationist team)
How! That a tour of all
the important records that preserve
our history. He had no idea of
the vastness of your work.

Thank you for all you do
and for sharing your knowledge
so generously.

Law, Noah wants his own
carrying case, acid free paper,
and all that is necessary for
him to set up his archive. You

have inspired him deeply.

We all have a deeper appreciation
of our history and an enthusiasm
to learn more as a result of
your work.

Thank you each and all,
Dail Bernard
